DETAIL MAPS

(Mar 2016) **LOS ANGELES A DETAIL MAP:** Between Torrance Blvd. and El Dorado St., the turn is onto

Maple Ave
(Aug 2018)

Map 61 (Feb 2017) In Dana Point, Doheny State Beach no longer has hiker/biker camping.

(Mar 2016) It has been brought to our attention that riding through the communities of Newport Beach, Laguna Beach and Dana Point has become increasingly risky due to aggressive drivers. The Orange County Bicycle Coalition show alternates through these towns and we advise using them:

Detail **RIDING CONDITIONS**

(Aug 2018) **CAMP PENDLETON:** Camp Pendleton is changing their requirements for access to the base. Beginning October 1, 2018, to ride through the base you will need to stop at the Main/Vandegrift Boulevard Visitor Center (south end of the base) to get a guest pass. You will need a valid government issued photo ID (I.E. Real ID ACT compliant driver's license, state identification card, or U.S. passport) to establish your identity and submit to a criminal background check as well as having your photograph and fingerprint taken. The Visitor Center hours are Monday to Friday, from 7:30 a.m. to 3:30 p.m.

If riding southbound, it makes more sense to ride the shoulder of I-5 between Las Pulgas Rd. and Oceanside (Exits 62 to 54C) avoiding the base entirely. It is about 8 miles. For safety reasons, you should exit and re-enter the freeway at the Aliso Creek Rest Area about midway through this stretch. If riding northbound, you may do the same or stop at the Main/Vandegrift Boulevard Visitor Center and see about gaining a guest pass.

If you are currently preregistered to travel through the base by September 30, 2018, you will be allowed through with that preregistration. For questions regarding base access, please call 760-763-8435.
